

Privacy Notice

Last reviewed: [16,6.2025]

[Seaways.Tech](“we”) is committed to protecting your personal information and respecting applicable data protection laws around the world. This Privacy Notice explains how we do this and how it applies to your use of this app [InstaWall](“App” or “Service”). If you don’t agree to this Notice, you should not download or use the App.

What kind of information do we collect

You may be necessary to provide the following information if you need to utilize all features of the App:

1. device identifiers (such as IDFA, IDFV for Android, GAID for IOS).
2. behavioral usage of the App.
3. email address.
4. the type, version, brand, language and operating system of device.
5. the type and operator of network (such as Mac address).

How we use information

We use your information to power our services, to process your requests, to communicate with you, for security and fraud prevention, and to comply with law. We may also use personal data for other purposes with your consent.

How we share of information

We may share personal data with our affiliated companies, service providers who act on our behalf (such as processing or storing data), our partners, or others at your direction. Further, we do not share personal data with third parties for their own marketing purposes. We require the third parties mentioned above shall protect your personal data and they cannot use the personal data we share for their own purposes and must delete or return the personal data once they’ve fulfilled our request.

Children and personal data

We understand the importance of safeguarding the personal data of children, which we consider to be an individual under the age of 13 or the equivalent age as specified by law in your jurisdiction. If we learn that a child’s personal data was collected without appropriate authorization, it will be deleted as soon as

possible.

How we protect your personal information

We take reasonable measures to help protect your information from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction. In order to protect your personal information held with us and third parties we work with, we use industry-standard physical, procedural and electronic security measures, including encryption where deemed appropriate.

How long do we store your personal information

We will store your information for as long as is needed to provide you the Service; as long as needed for the purpose it was originally collected for; as long as we are legally obligated; or until we receive a request for erasure. After this point, your personal information will either be erased completely or anonymized for analytical use for a certain period.

Your privacy rights

You have a right to request access to, and correction or delete of, your data and we recommend that you:

1. let us know if there are any errors in your data; and
2. keep us up-to-date with changes to your data.

You may decline to share data with us and/or withdraw any consents which you may have provided, in which case, we may not be able to provide you with some of our Services. At any time, you may object to us holding or processing your data, on legitimate grounds, save and except as otherwise permitted by the applicable law.

Links

The App may contain links to other websites, webpages and mobile and applications operated by third parties. We have no control over the content of the linked websites, webpages and mobile and applications or the way in which the operators of those websites, webpages and mobile and applications deal with your data, and are not responsible for the content of such third party websites, webpages or mobile and applications. You should review the privacy policy of such third party websites, webpages and mobile and applications to understand the ways in which your data may be used by those third parties:

1. Facebook:

- https://www.facebook.com/privacy/policy/?entry_point=comet_dropdown
2. Google AdMob & Firebase: <https://policies.google.com/privacy>

How to contact us

If you have any query relating to this Notice, we can be reached by email at [afzl.dev@gmail.com].

Changes

This Privacy Notice may be amended from time to time and all handling of data will be governed by the most recent version of this Notice, available on the App at this page.
